MOSAIC LAMINATION

Level: Beginner to Intermediate • Prerequisites: None

2-1/2 days - \$600 per person

includes all tools and materials

April 20, 21 and 22 August 10, 11 and 12
June 8, 9 and 10 October 5, 6 and 7

A fun class laminating different species of wood with natural and dyed veneers to be shaped into pins, pendants, earrings, or blanks for pens and bottle stoppers.

- Choose raw materials
- Cut, miter, shape and glue pre-designed blocks
- Laminate your own block with epoxy so it will be dry and ready the next day
- Cut, shape, slice and sand the assembled block, laminate using epoxy
- Bore for findings (hardware)
- Final chamfer and sanding
- Finish with spray lacquer
- Final assembly

DECORATIVE PANEL LAMINATION TECHNIQUES

Level: Beginner to Intermediate • Prerequisites: None

2-1/2 days - \$600 per person

includes all tools and materials

June 22, 23 and 24

Project 1: Flat Panel Design

- Choose materials from a selection of pre-milled wood
- Slice panels on band saw, arrange pieces to create pattern and laminate together
- Embellish with dyed veneer and exotic woods
- Sand and finish panel

Project 2: Decorative Box Inlays

- Choose materials from a selection of pre-milled wood
- Assemble and laminated with epoxy
- Slice laminated pieces, rearrange, reassemble and relaminate
- Cut and assemble patterns into inlay pieces

INTENSIVE LAMINATION MASTER CLASS

Level: Beginner to Intermediate • Prerequisites: None

5 days - \$900 per person

includes all tools and materials

August 20, 21, 22, 23 and 24

This class is a total immersion of Martha's Mosaic and Decorative Panel classes.

The perfect setting to master all aspects of lamination and incorporate these techniques in your own work.

- Design concepts
- Material selection
- Laminating techniques
- Shape, cut and slice laminated pieces
- Assembly
- Finishing

REGISTER EARLY, CLASSES ARE LIMITED TO FIVE PARTICIPANTS
